

Dear Sir or Madam

I've never written before to the government. I'm writing in regards to the Super Bowl "investigation".

I think that you should be looking into every beer commercial that shows scantily clad women, let alone every other commercial that uses sex to sell it's products.

You seem to be making a mountain out of a molehill. There would seem to be very many more important problems on television that demean woman so much more.

Thank you for reading this and I hope that it makes a difference.

Regards,
Elliot Zeelander
